Sir:

This paper is submitted in response to the second Office Action, mailed January 16, 2007. In that office action, claims 1-62 and 84-108 were allowed; claims 63-69, 71 and 80 were rejected under 35 USC 102(b) as anticipated by US patent 5,645,528 to Thome; and claims 70, 72-79 and 80 1-83 were objected to, with the notation that the claims its would be allowable if rewritten in independent form including all of the limitations of the base claim and any intervening claims.

Reconsideration of the rejected claims and status of the claims is respectfully requested in view of these Remarks.

Since this is a reissue application, a claims listing is not believed to be required. 37 CFR 1.173. However, if this is incorrect, a claims listing will be submitted.
